ACCREDITED BY:

Agile Programme Management (AgilePgM) is designed to deliver the benefits of Agile at a strategic level. This course will enable you to thrive in Agile program management teams and gain valuable experience keeping programs efficient, effective, and well-aligned with corporate goals.

WHO IS THIS COURSE AIMED AT?

- Traditional and Agile businesses wanting to benefit from world-class Agile program management best practices
- Project/program managers eager to study effective tools, best practices, and insight for Agile management
- Anyone seeking lucrative career opportunities in program management, as well as other relevant areas such as risk management, change management, IT management, and so on
- Everything needed to pass the AgilePgM Foundation exam

WHAT WILL YOU LEARN?

- How to run and structure a program according to the Agile methodology
- Various governance techniques to keep programs fully aligned with strategic and stakeholder goals
- How to shape an Agile program lifecycle to guarantee the successful delivery of business transformations while also maximizing the return on investments
- Management and control practices to review Agile programs, as well as individual projects, to ensure appropriate levels of quality and alignment

WHY TAKE THIS COURSE?

- AgilePgM offers the adaptability, flexibility, efficiency, empowerment, iterative benefits, and stakeholder satisfaction of the Agile methodology at a strategic program level
- This AgilePgM Foundation e-learning course features a number of online training tools, such as regular knowledge checks and instructor-led videos, as well as practice exams
- The course has been created in collaboration with highly experienced subject matter experts
- Worried about the costs of the AgilePgM Foundation exam? We give every student a FREE exam voucher
- This course is fully accredited by **APMG International**

IS THERE AN EXAM?

The AgilePgM Foundation examination is a closed-book multiple choice exam. There are 50 questions, with one mark available for every correct answer and 50 marks available in total.

Students will have 40 minutes to complete the exam. In order to pass, students must earn at least 50%. The course comes with revision modules, mock exams and a FREE exam voucher!
